Entry conditions:

Only a fully completed entry form can be acknowledged and processed by Project 1 Drivetime GmbH.

With the „Application for Driver Entry“ the driver also indicates if he wants to compete in the Rookie Classification.

Only BMW M2 CS Racing in the 365 hp version, run by the series organisation, are eligible to compete in the championship.

Adherence of the entry conditions is prerequisite for the integrated advancement opportunities.

Classification:

There is an overall rating for all participating drivers with continuous scoring by finish. All final results of 2023 season races will be taken into account. In addition, there is one more rating (Rookie).

Drivers Classification:

The driver with the highest score after all of the races in the BMW M2 Cup is awarded the title: BMW M2 Cup Champion 2023.

All of the official and final results of the events (training and races) from the year 2023 are considered.

Additionally the series organisation can apply one (or more) so called guest drivers. These guest drivers don't receive championship points, furthermore their cars will be given away from a separate contingent.

Furthermore the series organisation can apply one (or more) so called VIP-Cars. This car is not rotating between the race weekends and therefore is not eligible for any championship points. The series organisation informs about the usage.

Rookie Classification:

A driver is considered a rookie participant ((Age group, year of birth 2001 or later), who will start in the BMW M2 Cup for the first time in 2023 or did a maximum of guest appearances in 2022.

Participation in the rookie competition must be indicated on the registration form.

The series organiser reserves the right to refuse entry forms for the rookie classification by stating reasons.

The rookie classification needs a minimum of five drivers.

Registration deadline for Driver Entry is the 14th of May 2023.

The driver mentioned above is only permitted to start at the BMW M2 Cup 2023 if the „Application for Driver Entry“ is confirmed by the series organiser.
